

Our Goals For Student Achievement

Wright School Goals

Provide high quality curriculum and instruction in all core academic areas in a supportive environment that enables students to meet the standards. Use class newsletters, this compact, post on the website, email families promote classroom visits and have access to myself and other staff to ensure on-going communication regarding student progress Wright administrators and teachers study our student performance data to decide on the most important areas of improvement for our school. Wright will improve in all areas with a special focus on: reading, math and science.

Academic Support Events

- ◆ Coffee & Conversation Morning , with our Principal Mrs. Brenda, Nutrition Classes , Parenting Classes, Citizenship Classes, English Class ,Financial, Literacy, etc. (Will be provided by Family & Community Outreach Resource Centers).
- ◆ Family Curriculum Nights will be announced.
- ◆ PTO (Parent-Teacher Organization) Sponsored Nights. To be announced.

For more information on other events or on how to get involved at school please contact :

Wright Students

Wright school students will join

staff and parents to develop ideas about how they can succeed in school and reach for the stars in reading.

- Talk with my family about what I am learning in reading.
- Keep a reading log to record reading at home and think about the strategies that are being learned.
- Spend at least 15 minutes each day reading to or with my parent, guardian, or caregiver.

Student' signature

In the Classroom

The Kinder-5th grade team will work with students and families to develop students reading ability. John B. Wright adopted the AVID or Achievement Via Individual Determination philosophy to help encourage our students to achieve our school and university mission. Teachers help children develop confidence in their learning and look to the future. Some of our key connections with families will be:

- A reading newsletter will be sent home every month to all families with ideas for easy home learning.
- Teach students and parents how to
 - *Read aloud at home
 - *Make connections to experiences and keep a reading log.
- Provide parents with a kit of materials designed to support their child.
- Listen to students read aloud.
- Orally read to my students while modeling correct reading behaviors.
- Read across all content areas

Teacher' Signature

At Home

Wright parents will join staff to develop ideas about how families can support students reading. Families may have other ideas to add to the list.

- Have fun with reading. Use materials in the reading kit to explore reading at home.
- Look for the reading newsletter each month.
- Do activities at home that continue my child's classroom learning at home.

Write personal stories to share with each other.
